Education

1993 License to Practice the Profession of Electrical Engineer & Computer Engineer - (TECHNICAL CHAMBER OF GREECE)

Postgraduate Education

- Possession of a complete package of study, calculations, specifications, etc. of Medium and Low Voltage Strong Currents - Weak Currents.
- Special knowledge and experience (according to EN and NFPA 70) in Substation Studies - Strong Currents of Industrial Installations - Refinery Projects - Area Grading Studies
- Knowledge of Autocad - MECA handling, knowledge of PHILIPS LTG design programs, 3F-2000, Dialux, Ti-Soft, 4M, Win Doc ABB, ECODIAL.
- Participation in the Seminars of the Technical Chamber of Greece. (Study of M.T. Substations, Grounding, Energy Studies)

Languages

- English
- Spanish
- Greek (Mother tongue)

Research & Educational Activities

- 2 years of experience in Computer Sales - Technical Support Department (Informatics OE)
- Many years of experience in Industrial Plant Studies (H.V., M.V., L.V. distribution) in ENOIA (1993-1998), ASPROFOS 1998-2000.
- 5 years of experience in Building Installations Studies (THEMIS CONSTRUCTION 2000-2005)
- 3 years of experience in Studies of Large Building and Industrial Installations (ALFA MELLITIKI 2006-2008).
- Employed in Public and Private Projects Studies as an associate – freelancer in various design schemes. (2008-present)
- I have studied and supervised public and private building projects of various categories such as:
 - Special buildings (courthouses, detention facilities, hospitals, office buildings, industries)
 - Listed Buildings, Traditional
 - Settlements Interior and exterior configurations
 - Residential Complexes and Apartment Buildings
 - Energy Efficiency Studies of Buildings

PROFESSIONAL EXPERIENCE

Position and Main Discipline: Electrical & Mechanical Engineer

2021-Today:

“PowerServ Ltd” Engineering Consulting Company

Member

Participation in the design of the following projects:

PROMETHAN (2024-2025): DETAILED ENGINEERING, PROCUREMENT AND CONSTRUCTION OF THE PERDIKAS PERMANENT METERING/ REGULATING STATION- Engineering studies were conducted for the instrumentation, piping, and process systems

FARAN S.A. (2024-2025): New Sterile Injectables Facility (Studies for Permit, Basic & Detail Design)

PROMITHEAS ATEBE (2024-2025): Construction of a double bioclimatic nursery

Energy and functional upgrade and renovation of the Health Centers (HC) of Konitsa and Metsovo (2024-2025) - Electromechanical Studies

Energy and functional upgrade and renovation of the Health Centers (HC) of Amfilochia, Ano Kalentini, and Vourgareli (2024-2025) – Electromechanical Studies

DESFA (2024-2025): BASIC DESIGN FOR THE RXPANSION AND UPGRADE OF M/R STATIONS OF EXIT POINT TO DISTRIBUTION NETWORK “ATHENS” - The instrumentation, piping, and process systems underwent a comprehensive upgrade

"Preparation of a study for the replacement of the conventional lighting of the SNFCC facilities with new LED-type lighting." (2024)

«CONSULTANCY SERVICES FOR FEASIBILITY STUDIES AND DETAILED DESIGN OF CLIMATE CHANGE RESILIENT SOLID WASTE MANAGEMENT SYSTEMS IN THE LILONGWE CITY, MALAWI» (2024) - Electromechanical Studies

NEW FUEL STORAGE TANK TK5 (2023-2025) – Instrumentation and Electrical Studies

CONSTRUCTION OF THE NEW HERAKLION INTERNATIONAL AIRPORT IN CRETE AND ITS ROAD CONNECTIONS (2023-2025).

Design of the medium voltage network and substations.

Electrical Studies for:

- Ground Transportation HUB
- Main Terminal Building
- Tower Control Building
- Parking Area

- Sewage Treatment Plant

PROMETHAN S.A. (2023-2025): «PROCUREMENT AND INSTALLATION OF KORINTHOS METERING /REGULATING STATION» for Electromechanical Studies

VIOTI PHARMACEUTICALS S.A. (2023-2024): NEW INDUSTRIAL UNIT

PHARMATHEN (2023): New Ophtalmic Plant

FULL SUPPLY AND INSTALLATION OF EQUIPMENT FOR THE H2 INNOVATION HUB (H2-HUB) (2022-2025) – Electromechanical studies and Process

MUNICIPALITY OF IOANNINA CITY (2022-2024): Construction of a Municipal Building with a Multi-Purpose Area at «ΔΟΜΠΟΛΗ» Building

ALMARIET (2022): Preparation of a grid connection terms study for a 20 MW photovoltaic (PV) power plant in Vonitsa

NESTLE ATHENS OFFICES (2022): As Build Drawings

VIVA WALLET (2022): Interior Layout in office buildings, roof configuration, pergola construction on the roof, and an entrance canopy

VENTAVEL S.A. (2021): Technical inspection of a 34 MW Wind Farm at the 'Melia' location, Siatista, Kozani region

PHOTOVOLTAIC ENERGY (2021): Development of electromechanical design studies and detailed drawings for the buildings of the photovoltaic step-up substation at Vathylakkos, Kozani.

Contract for the assignment of electrical engineering design services for the permitting of four wind farms with a total installed capacity of 300 MW at the locations: 'Almyres–Pagos', 'Fylakes–Aetos–Mavra Chomata', 'Trani Rachi–Chersos Lofos–Pigadia', and 'Lagos–Pyrgos Alonia' in the Regional Unit of Evros (2021)

Position and Main Discipline: Self-employed (Freelancer)

2008-2021:

PPC of Aliveri (2008): Construction of new fuel storage tanks - Application study. (Electrical Installation).

New Shopping Center PASAL DEVELOPMENT S.A. at 180 Pireos Street (2007-2008): "ATHENS HEART" Implementation Design. (Electrical Installation - Fire Detection).

New Shopping Center PASAL DEVELOPMENT S.A. on Alimou Street (2008): REMBO S.A. Preparation of the Urban Planning Permit dossier- (Electrical Installation - Fire Detection).

University of Patras (2008): New Economics Department Building - Preparation of a preliminary study dossier (Electrical Installation - Fire Detection).

HELPE Thessaloniki (2007-2008): New Tanks 4X60000m³ - ATHENS Participation in the tender by submitting a preliminary design. Implementation Study until July 2008 (Electrical Installation)

AQUABA Jordan (2008): New fuel tanks. - ENDLESS- Implementation Study until July 2008 (Electrical Installation).

Queen Alia Airport Jordan (2008): New fuel tanks. - ATERMON- Implementation Study until July 2008 (Electrical Installation).

New Administration of Igoumenitsa (2008-2009): AMTEK & TEKTON Final Study & Implementation Study (Electrical Installation).

PPC S.A./ASP KARPATOU - MALLIONTA S.A. (2009): Calculation Sheet for Motor Pump Cables- Monolinear Diagrams of Electrical Panels of New Pumping Stations – Consultant services for the study of Area Grading (Area Classification) and the choice of equipment of the panels.

NEW METERING STATION FOR JP5 AND JP8 PIPELINES MOTOR OIL (HELLAS) CORINTH REFINERY- PIPE SERV Application Study (Electrical Installation) (2010)

NEW MARINA- SOCIALIST PEOPLES LIBYAN ARAB JAMAHIRYA- NATIONAL AUTHORITY FOR MARTIME INVESTMENTS (2009): Final Study & Implementation Study (Electrical Installation).

RECREATIONAL CENTER SOCIALIST PEOPLES LIBYAN ARAB JAMAHIRYA (2009): Final Study & Implementation Study (Electrical Installation).

FUNCTION HALL SOCIALIST PEOPLES LIBYAN ARAB JAMAHIRYA (2009): Final Study & Implementation Study (Electrical Installation).

MAINTENANCE BUILDING SOCIALIST PEOPLES LIBYAN ARAB JAMAHIRYA (2009): Final Study & Implementation Study (Electrical Installation).

POLYNESIAN RESTAURANT SOCIALIST PEOPLES LIBYAN ARAB JAMAHIRYA (2010): Final Study & Implementation Study (Electrical Installation).

THEATER & CAFE SOCIALIST PEOPLES LIBYAN ARAB JAMAHIRYA (2010): Final Study & Implementation Study (Electrical Installation).

Position and Main Discipline: Electrical & Mechanical Engineer

2006-2008:

“Alpha Engineering Consultants”

Participation in the design of the following projects:

SHELL Facilities Perama Reconstruction of the Chemicals Distribution Area Implementation Study (2006).

SHELL Facilities Perama Drafting of specifications for the maintenance of electrical equipment (2006).

New SATO storage facilities - Elefsina Preparation of a permit dossier - Implementation Study (Strong-Weak Currents- Fire Detection) (2006).

New SATO Store on Thivon Street Preparation of a permit dossier - Implementation Study (Strong-Weak Currents- Fire Detection) (2006-2007).

Gatsoulis (2006):Bicycle Factory Preparation of an Urban Planning permit file- (Strong-Weak Currents- Fire Detection).

PPC ASP Milos (2007): Construction of Fuel Facilities Upgrade - Implementation Study. (Strong Currents).

PPC ASP Syros (2007): Construction of Fuel Facilities Upgrade - Application Study. (Strong Currents).

Papadia Dam Utility - Auxiliary Facilities and Street Lighting(2007). Implementation Study. (Strong Currents).

Pentalofou Dam in Pramoritsa - Auxiliary installations and street lighting (2007). Implementation Study. (Strong Currents).

Position and Main Discipline: Electrical & Mechanical Engineer

2000-2005:

“Themis Construction Company”

Participation in the design of the following projects:

Interconnection of Hydrogen Unit- HELPE (2000). Detailed electrical study.. (Material Requisitions, Electrical dwgs for inquiry and construction, BOQs, Quotations technical evaluation).

Kalavryta Courthouse Application study (air conditioning, water supply, sewerage, fire detection-firefighting) (200-2001).

Reconstruction-Patras Courthouse Implementation Study(Air Conditioning, Water Supply, Sewerage, Fire Detection-Fire Extinguishing) (2000-2002).

Base of Four Airbed Ships-METTEM S.A. (2001) Revision of the Electrical Application Study

Extension of the Criminal Record No. Justice Implementation Study (Air Conditioning, Water Supply, Sewerage, Fire Detection, Fire Extinguishing – electrical installation, Weak Currents) (2002)

Kavala Courthouse Implementation Study (electrical installation, weak currents) (2002).

Chania Correctional Facility - Implementation Study. (Elevators) (2002).

Courthouse of Kastoria- Implementation Study (electrical installation) (2003).

ASKA of Kassavetia – Implementation Study (electrical installation) (2003).

Zakynthos Courthouse Implementation Study(electrical installation, weak currents) (2004).

EKKN Vlora - New school complex - Implementation Study (electrical installation, weak currents) (2004).

Trikala Prison Laboratories Implementation Study (electrical installation) (2005).

Lamia Courthouse Implementation Study (electrical installation) (2005).

Courthouse of Veria- Implementation Study (Strong Currents) (2005).

Eleonas Thiva Detention Centre- Implementation Study (Strong Currents) (2005).

Position and Main Discipline: Electrical & Mechanical Engineer

1998-2000:

“ASPROFOS Engineering S.A.”

Participation in the design of the following projects:

NC115 DEVELOPMENT PROJECT GOSP H-ROO Detailed electrical study. LEADER of the Project (1998)

NEW TRUCK LOADING ARMS - ASPROPYRGOS-KALOCHORI REFINERIES (AKTOR) Implementation Study (1998)

EL SHARARA DEVELOPMENT PROJECT - GOSP B - ROO Detailed electrical study. (Material Requisitions, Electrical drawings for inquiry and construction, Quotation technical evaluation). LEADER of the Project (1998)

Isomerization Unit - HELPE EKO Thessaloniki, Detailed electrical study. (Material Requisitions, Electrical dwgs for inquiry and construction, BOQs, Quotations technical evaluation). LEADER of the Project (1998-1999)

Powerformatte Splitter Unit- HELPE. EKO Thessaloniki Detailed electrical study. (Material Requisitions, Electrical dwgs for inquiry and construction, BOQs, Quotations technical evaluation). LEADER of the project (1999)

Desalter Unit- HELPE. EKO Thessaloniki, Detailed electrical study. (Material Requisitions, Electrical dwgs for inquiry and construction, BOQs, Quotations technical evaluation). LEADER of the Project (1999-2000)

Utilities Expansion Unit- HELPE EKO Thessaloniki Detailed electrical study. (Material Requisitions, Electrical dwgs for inquiry and construction, BOQs, Quotations technical evaluation). LEADER of the Project (1999-2000)

New Crude Tanks AF-140227 HELPE EKO Detailed electrical study. (Material Requisitions, Electrical dwgs for inquiry and construction, BOQs, Quotations technical evaluation) (1999-2000)

Crude Oil Pipeline AF-140227- HELPE. Thessaloniki-Skopje Detailed electrical study.. (Material Requisitions, Electrical dwgs for inquiry and construction, BOQs, Quotations technical evaluation) (1999-2000)

G. Mamidakis Interconnection Project - HELPE. Thessaloniki-Skopje Detailed electrical study.. (Material Requisitions, Electrical dwgs for inquiry and construction, BOQs,

Quotations technical evaluation) (1999-2000)

Position and Main Discipline: Electrical & Mechanical Engineer

1993-1998:

“ENOIA”

Participation in the design of the following projects:

Kozani District Heating - ENOIA Pumping Station Extension Detailed Electrical Study. (Material Requisitions, Drawings for inquiry and Construction, Quotations technical evaluation) (1993).

Anaerobic treatment of olive kernels - ELKEPA ENOIA Detailed Electrical Study (Electrical installation) (1994).

Meat and Fish Processing Units - THEOMEAT Detailed electrical design (Material Requisitions, Electrical dwgs for inquiry and construction, Quotations technical evaluation, construction supervision) (1994-1995).

Expansion of water bottling plant KORPI (NESTLE) (1994-1995): Detailed electrical study, technical evaluation of electrical equipment tenders.

RCC SYSTEM OF THE NATURAL GAS PROJECT (DEPA) Technical evaluation of electromechanical drawings (1995-1996).

Unit 8 Ag. Georgiou Keratsiniou P.E.I. (ANSALDO) Detailed electrical study of power current installations (1995-1996).

NC115 DEVELOPMENT PROJECT-ROO TANK RELOCATION (1996): Detailed electrical study.

NC115 DEVELOPMENT PROJECT-ROO GOSP A Petroleum Products Processing Plant Detailed electrical study (1996-1997). (Material Requisitions, Electrical dwgs for inquiry and construction, BOQs, Quotations technical evaluation)

NC115 DEVELOPMENT PROJECT-ROO

HAMADA BOOSTER PUMP STATION

Detailed electrical study. (Material Requisitions, Electrical dwgs for inquiry and construction, BOQs, Quotations technical evaluation) . LEADER of the project (1997).

NC115 DEVELOPMENT PROJECT-ROO ZAWIA REFINARY Detailed electrical study. (Material Requisitions, Electrical dwgs for inquiry and construction, BOQs, Quotations technical evaluation). LEADER of the Project (1996-1998)

METRO (CEGELEC) Power Current Installation Plans (1996-1997)

RASS-YASSA -YEMEN RELOCATION OF TANK 100-101 (C.C.C). Implementation study.
Leader of the project (1997)

NEW TRUCK LOADING ARMS - ASPROPYRGOS REFINERIES - KALOCHORI (AKTOR) -
Offer study (1997)
